Celebrating 100 Years of Passing the Torch

The Brentonian

2023 / 2024

EST.1923

A Century of passing the torch

This year, Brentwood marks 100 years since the School's founding in 1923.

In June, 1924 our first yearbook commemorated a successful year - as we also have here in 2024.

In 1924, cover to cover, it was 44 pages in which the faculty shared funny 'Occasional Jottings', coaches recorded, in great detail, every win and loss of the school year, and the grad section was simply a list of 11 students and what universities they were bound for.

Over the years, the yearbook has grown from a text-heavy recap of the year written by the faculty, to the full-credit art class, created by our students, that it is today.

In 2024, the yearbook contains 300 pages sharing thousands of photos featuring every one of our 563 students and what they have been doing all year.

We've come a long way in 100 years. We look forward to seeing what the next 100 will hold.

A Note From The Yearbook Captain

Maggie Zehner

On the first day of Yearbook this year, I was confident we had a strong group that could create a product they'd be proud of. After a much smaller team last year, having so many kids join the squad made me confident. And they didn't let us down. This year's group is impressive: all dedicated, creative people who put their mark on the yearbook and made it a relatively non-stressful year. They turned their layouts in on time - most of the time - and made high-quality layouts. Even in the last stretch during Regatta - which is always stressful - the yearbookers really showed up and put their best foot forward. I am very happy with the work everyone has done and the yearbook we have created.

This was a wonderful group of people who all did excellent work. I appreciate each one of them for all the work they put in and all the photos they took - even if there was an incentive to get Fridays off. And of course, a huge thank you to Ms Rusman and Mr Ganley for their dedication, enthusiasm, and patience. Truly, the yearbook wouldn't be complete without you two!

– FIRST 11 GIRLS FIELD HOCKEY –

(Top row) Ms Rachel Reynolds, Sterling Ramsay, Matilda Alex, Siera Edstrand, Ida-Lotte Feuerstein, Kate Martin, Maren Stone, Sophie McLernon, Grace Sisett, Hillary Stone, Ms Alex Miller (bottom row) Phoebe Killam, Emma Powell, Kiara McLeay, Tedra Gunn, Captain Brooke Ramsay, Ginger Worland & Clare Rimmer.

This Field Hockey team has been one for the century; there was never a dull moment. As a team, we have learned, and grown, and the relationships made this season will last a lifetime.

When it mattered, we showed up. We brought the Island trophy home for the first time in 15 years. All the hard work the girls put in all season had been worth it for that moment.

At Provies, we were in the most competitive pool and had to go against many ongoing rivals. With an extremely hard-fought match against Crofton, we came out on top in the end. Though the rest of our journey at Provies was not as successful as we hoped, we played some of the best fockey all season and showed our Grit & Joy. While we had many feats, the warm-ups with Check it Out, pro wrap staining foreheads, and pre-game dance circles are the true heart of this team.

I would like to say a huge thank you to the Coaches for supporting us through everything, and most importantly, thank you to the Spectacular Senior Seven. I love you all.

The fight to Provincials did not start when we placed first at North Islands. It did not start when we blew Shawnigan out of the water 4-0 in our fourth league game. It did not start when we were stepping onto the field at ISAs. It started on the first day of sport when we all came together as a team, unknowing of the challenges we would face and overcome.

Our league games throughout the season showed the unmatched team dynamic we had. Muddy pitches, and 50 mph winds were nothing against the team. As soon as Sam Blundell scored a goal against the opposing team, they knew it was over. We had an undefeated league season.

At North Islands with the sun shining down, and the support of the school from the sidelines, we were truly unmatched: winning every game by three or more goals. In our final match against Gulf Islands, we were down 1-0 heading into the second half. Tensions were high, and Julian Bishop pulled through with a hat trick to close the game. This was the first time Brentwood had taken home the North Island Gold in over eight years.

Going into Islands we had the right mindset. We were walking onto every pitch knowing we could win, and that showed as we dominated the first day; winning 3-2 against Stelly's, and 3-1 against Wellington. On the second day, and little did the Grade 12s know, the last day, we started it off with a disappointing loss to St. Andrews which led us to our last game against SMUS. With ten corner kicks in the last five minutes of overtime, we were not able to put it in the net, so with the score at 2-2, we went to penalty shootouts. With a 4-5 loss in penalties, Brentwood fought hard to the last second of play. Walking off that field it was evident how far this team had come since walking on the field for the first time at ISAs. We had just been players making up a team, but leaving we were a family saying goodbye. Our spirit and enthusiasm for the game of soccer will live on. I am so proud of the boys and what our team was able to accomplish this year.

Wesley Jones, Captain, Whittall '24

Highlights On The Pitch

(Top row) Brentwood leaves the changing room after a halftime debrief with Mr Barrett; Youto Imai & his teammates rejoice after a goal (middle row) Jackson Lenarcic & Henry Weidlich look for a pass through the defensive line; Henri Zimmerman skillfully brings the ball up the field; Players cool down on the bench after playing a tough first half (bottom row) Captain Wesley Jones & Beck Jacobi exchange tips at halftime; Brentwood prepares to play after a group huddle.

— JUNIOR BOYS SOCCER —

(Top row) Mr Paul Collis, Mr Toby Collis Handford, Soma Futagoishi, Taylor Ko, Ryder Rusman, Leon Rothschild, Ben Baer, Ben Akindipe, Jackson Lenarcic, Timi Akin-Dada, Rowan Thompson, Kang Cho, Bertie Martin, William Ren, Justin Shao, Johann Luemkemann, Yuichiro Matsuzaki, Mr Micheal Veenema (bottom row) Beck Jacobi, Adam Mandorla, Chad Munro, Fiyi Akin-Dada, Henri Zimmermann, Liam Malpass, Jeronimo Rodriguez Montero, Owen Lawrence, Joe Brazeau & Orion Lefebvre.

Robert Browning once observed, “Ah, but a man’s reach should exceed his grasp, or what’s a heaven for?”

This year’s Junior Boys Soccer team reached for many things in the soccer heavens, but our grasp was only mortal. We were literally seconds away from a gold medal at the ISA tournament, before a late, late equalizer and then cruel penalty kicks – a vindictive god who would come to define our season – left us silver, and bereft.

We crushed our local league to easily win the Central zone, but Islands in sunny Campbell River proved to be another tale of heartbreak, penalty woes, and pain. Did we almost beat the soccer academy? Yes, we did. Did we beat them? No. But on the bright side, we returned from the season with a full ball bag.

The beautiful game can be a cruel mistress, but we will court her hand again. - Mr Paul Collis, Soccer Poet Laureate

This Senior A Volleyball team had an incredible season filled with dedication, growth, and so many lasting memories. We began the season with the goal of qualifying for Provincials. Before playoffs started, we experienced a mix of challenging losses and exciting wins. We were able to not only qualify for Provies but also win the North Island & Island Championships for the second consecutive year.

We headed to Provincials and faced tough competition on the first day of play, eventually placing first in our pool. We played some of the best volleyball we had all season and ultimately placed fifth in BC.

Thank you to our coaches, Ms Jill Fougner & Ms Spencer Manton. The team is very appreciative of all the time you've dedicated. I also want to say a huge thank you to the girls on the team for making this season so memorable for the seniors. We are so excited to see what next year brings for the team.

— CROSS COUNTRY —

(Left to right, back row) Mrs Reynolds, Fareena Khan, Quentin Porter, Hamish Gullison, Jasper Mottershead, Paolo Freccia, Oliver Mottershead, Trevyn Gray, Brennan Kneeland, Charlie Woernle, Mr Smith & Mr Skardal (front row) Leila Reynolds, Veronika Lam, Nita Qiu, April Liu, Captain Edith Wong, Serena Hudson, Eli Zwaan, Estelle Feyi, Keira Miller & Zada Aufochs.

From running “Hill Day, Mill Bay”s, gruelling intervals in the forest, breathtaking destination runs, friendly local meets and, ultimately, Provincials, the Cross Country team this year has been successful in its endeavours. This year, we welcomed many new faces and came up with several new “trail names”, each accompanied by a handshake customized by Mr. Skardal. The team has grown this year, with 18 runners (or occasionally bikers) ready to take on the trails. As usual, our Grade 8s brought the spirit, making them competitive contestants for Katie’s “Fan of the Month”. Each day, we started with our fire ab workouts (sometimes with Mrs Reynolds’ elevator music) and ran a local trail of approximately six kilometres. Of course, when the coaches feel generous—which is pretty often—we stop for some ice cream at the farmer’s market on the way back to reward ourselves (for what, we’re still not sure yet).

The competitive season began with the Cowichan Valley XC Series. This year, there has also been a new addition of student reporters, where students’ writing about the races are featured in local newspapers. From Bright Angel Park to the Brentwood-hosted Cobble Hill Race, Brentwood runners consistently placed in the top eight, with Nika L placing an impressive first place in the Senior Girls category for every run she’s been on. Runners were then sent to the Vancouver Island Cross Country Championships at Elk Lake, and each team took off. The result? Lots of muddy shoes and pants (the Laundry staff were most likely unhappy with us) and Brentwood students Nika L, Layla R, and Hamish G each qualifying individually for BC Provincials in Surrey.

As the cross-country competitive season wraps up, we reflect back on the team’s successes this fall. Sure, we got tired of running and Braxton sometimes got lost, but each of our runners had improved and made Brentwood proud; the grit and resilience demonstrated this season by our runners is unmatched. We would like to express our appreciation to our coaches Mr Skardal and Mrs Reynolds, for without them the program would not be as exceptional as it is.

WINTER TERM ATHLETICS

– SENIOR BOYS BASKETBALL –

(back row) Mr. Gage, Coach, Jackson Lenarcic, Milan Pasquale, Captain Taylor Edwards, Bern Mebane & Oliver Herd (front row) Isaac Ryan, Julian Bishop, Zachary Houghton, Ainose Ibhahe & Evan Rosser.

Pre-season rankings were released and, as a team, we took the disrespect as fuel to our fire. Entering the lion's den for our first game may have proven the rankings correct, as we got crushed in our first few games against two top-10 teams. However, some time away from the campus and some success on the Mainland at the No Regrets Tournament brought us together and proved to ourselves that we belonged.
In practices, intensity rose and we continued to take steps forward after winter break. Heading to Claremont and going 2-1 against good competition prepared us for the prestigious Victoria Police Tournament where we showcased our improvement, reaching the final and conceding a tightly-contested game to the same Lambrick team that beat us earlier in the year.

We headed three hours north to Kwalikum for the North Island Playoffs. After beating our first-round opponent, we played an important game against John Barsby that would set us up for the Islands. With the win, we advanced to Islands with the #1 seed.
After taking care of business in our Showcase against St. Andrew's, we headed onto the semi-final and a chance to qualify for Provincials. After losing the 2nd quarter against SMUS, we bounced back and took over the 3rd in the usual Brentwood fashion, earning ourselves a birth to Provincials. In the final, we had to meet Barsby for the fifth time in two years. All there is to say is 5-0.
With the Island Championship under our belt, we were granted the 4th seed going into provincials and, as a team from the Island, we once again felt like the underdogs. After finding our footing in the 3rd quarter in our first game, we marched through the rest of the tournament and onto the Final with a chip on our shoulder from last year. Although the result wasn't what we had hoped, everyone will look back on this season and be proud of it.

We did earn Silver at Provies. Special thank you to the other 12s: Taylor Edwards, Zach Houghton & Bern Mebane and our coaches.

"Success comes from knowing that you did your best to become the best that you are capable of becoming." - John Wooden

– SENIOR GIRLS BASKETBALL –

(Top row) Captain Peyton Harker, Kionah Williams, Ruby McDougald, Siera Edstrand, Basma Jama, Helen McArthur, Co-captain Aysha Dajani, Cleo Kestler, Simret Sarao, Coach Veronica Brown & Assistant Coach Cheyne Cole (bottom row) Anjuli Gutersohn, Piangtur Thamrongnawasawat, Angel Savanagouder & Naomi Onasanya.

This season was one to remember. With a team of 15 dedicated players from grades 9 to 12, and two amazing coaches, the Senior Girls were able to secure many victories against strong teams and earn a spot at the coveted Provincial Championships once again. Our first big moment of glory came at the RCMP Mountie Cup Tournament which the team won after going undefeated in all four games against 3A and 4A schools. This was a huge achievement as Ruby McDougald, Cleo Kestler, Peyton Harker, Siera Edstrand, and Kionah Williams were recognized as MVPs, defensive and offensive players of the game.

The girls kept up their winning streak in league games and won the North Island Championship which took place over midterm break. We beat Barsby and Kwalikum, despite only having six players. We then went on to Islands, defeating GNS, but unfortunately we fell short to Lambrick Park. From this came the team's berth at Provincials. The team travelled to provies, short two injured starters, but continued to be resilient, committed, and competitive. In Langley for the 51st annual BC Provincials, the squad surpassed all expectations, placing 12th despite entering 16th and facing off against the number one seed, Mulgrave, in the first round. We won our second game against the 7th-ranked team, Abbotsford Christian. The girls gave it their all in the final two games against Fernie and Lambrick, but unfortunately fell just short.

Beyond the court, this team supported each other through the victories and the defeats and made connections that go beyond the season and memories that will last beyond high school. From the BBL ballers Instagram account to the Thank U, Next perfume, the sleepovers, ferry rides, photoshoots, and Adam Sandler outfits, this team had the most memorable season together. We could not have done it without our Head Coach Ronnie Brown and Assistant Coach Cheyne Cole. Their constant support was crucial to the team's success. The Captains are extremely proud of everything that the team accomplished this season, and look forward to hearing all about it from next year's team. Shout out to our four graduating players, Aysha Dajani, Simret Sarao, Ella Kestler, and Peyton Harker. Full court slay!

– JUNIOR GIRLS BASKETBALL –

(Back row) Coach Napier, Ashley Moyo, Charlotte Atkins, Ava Heenan, Kate Martin, Helen McArthur, Sierra Goldberg-Goris, Katie James, Sadie Clement, Emily Gage, Coach Topper & Coach Yang (front row) Hillary Stone, Fiona Chiam, Daisy Dryden, Kionah Williams, Zoe Gage, Kate Watt, Savannah Cheek & Alexa Kazoleas.

The Junior Girls Basketball team showcased unwavering determination and remarkable growth throughout this memorable season. Kicking off with an impressive third-place finish at the Victoria Tip-Off Tournament, they set the stage for what would be a season of remarkable achievements. Their journey soon reached new heights as they clinched gold at the Cowichan Valley Classic, proving their mettle on the court.

Despite facing tough competition, they continued to demonstrate resilience and perseverance, securing third-place finishes at the Ogilvie and ISA tournaments. However, it was their tenacious spirit that truly shone through at Islands. Against the formidable 4A Claremont, they not only defeated them twice, but did so with a thrilling come-from-behind double overtime win in their final game of the season, showcasing their grit and determination.

What makes their journey commendable is the tremendous improvement seen throughout the season. Whether it be the Grade 8s who had never played before or the feisty Grade 9s and 10s, each player developed both individually and as a team. This positive experience will undoubtedly set them up for continued success in the seasons to come.

From activation walks, to pigeon gatherings, this was a season filled with unforgettable moments, relentless effort, and extraordinary growth. Their tenacity and dedication have left an indelible mark, inspiring us all!

At the beginning of the season, the Senior Hockey team leadership speculated how our year would play out with the number of players we had in the program. As the season progressed, we added more experienced players. After a tough second-place finish in a tournament in Abbotsford at the end of November, I began to realize the potential of our team and how much we had already accomplished.

After the winter break, our team hit the ice running by winning multiple games, then travelling back to Vancouver for a tight one against Prince of Wales. After coming together as a group, we returned home and fought bitterly to win our Showcase game vs Shawnigan in a nail-biting game that required overtime. The crowd was electric that night and it may have been one of the best hockey Showcases in recent years.

By the time the Ross Cup tournament came in February, we were ready for anything. After dominating the round-robin, we came second in the tournament. After the game, looking around the room, I could not have been more proud of our team - every player left it all out on the ice and played for the 'B' on the front of the jersey.

I would like to thank all the coaches, especially Mr Shadlock, for their contributions and support in the teams' development on and off the ice. I especially want to thank my teammates for their incredible skill, effort and great humour - they made the whole season memorable.

– GIRLS ICE HOCKEY –

Shot, Save, Cheer

(Top row) Taylor Stewart & Ava Simmons head back to the bench for high fives; Addison Van Oostrom celebrates after a goal (bottom row) Abby Clarke saves the puck yet again from flying into the net.

This year the Girls' Ice Hockey program was the biggest - ever in numbers and spirit. More than half of the players were beginners, stepping onto the ice for the first time in November, starting their journey of tremendous growth. This team truly proved there is greatness in numbers, as it created the unique opportunity to create two teams, allowing every player to participate in a competitive environment.

With their new strength and confidence fostered by this program, within weeks of being a part of this team environment, the rookies faced competitive games against our rivals, Shawnigan, while the veterans were fortunate enough to compete with teams ranging in skill and age. However, no difference was great enough to separate the powerful connection this team created. The girls never failed to show up and give it their all, and we are endlessly grateful for the constant support and dedication put in by our players, those working behind the scenes, and especially our amazing coaching staff.

As the third term sun hit the field, so did the Senior Girls Rugby team! Each year, the girls' rugby team welcomes a handful of new players who step onto the field for the first time in March. This year, these new players quickly gained an understanding of the game and stepped up to the challenge. But this couldn't have been done without leadership from our veteran players. Since re-building the program after COVID, many of our players have contributed to the success of the team as a steady, hardworking group each season.

To bring our team together, Mr. Steve Cowie and his wife hosted us for a fun night of team bonding, with the standout activity of "Pin the rugby ball in the try zone". Working hand in hand, the team stepped onto the field, and were a force to be reckoned with.

We are so lucky to have the most amazing coaches who support us and push us to do our best. Mandy Marchak, our team mom brings a wealth of knowledge, and cares deeply for every player. Mr. Dave Cowie, keeps us organized and always believes in us. Last, but definitely not least, Mr. Cowie Sr, a true rugby legend who is the heart of our team.

Since starting rugby at Brentwood, my life has changed for the better. Each player on the team holds a special place in my heart, and I am so grateful for everyone I have stepped on the pitch with.

Tatum Lougheed, Captain, Hope '24

— GRADE 8 —

(Top row) Teddy James, Miguel Navarro Perez, Kirk Neufeld Handley, Cormac Wismer, Connor Thompson (next row) Agustin Paparini, Griffin Killam, Charlie Woernle, Jamie Doehler, Braeden Spelman, Quentin Porter, Finn White, Anthony Grobbelaar (third row) Estelle Feyi, Margot Heys, Sadie Clement, Maya McAfee, Eli Zwaan, Estrella Feyi (bottom row) Zada Aufochs, Keira Miller, Alexa Kazoleas, Daisy Dryden, Mika Ayalon Ben Dov, Aria Kohlruss.

What an amazing group of Grade 8 students! Whether playing spike ball on Crooks Common during break, strumming together in music class, or learning how to survive wet exits, the inquisitiveness and positive energy of these 8s were infectious. These twenty-five remarkable young people arrived at Brentwood in September and quickly embraced each other and the tripartite program. They developed their character and academic skills in the classroom, in the gym, on the sports fields, and on the stage.

Who can forget the Grade 8 Musical! They put on a wonderful presentation of Elf. These young actors, who reluctantly began the process in September, were proud of the end product as they received a standing ovation for their final show. Performing was in their blood as they were the first Grade 8 class to participate in Airband. It proved to be an amazing way to start the show! Students continued to develop their artistic skills in visual art class and guitar and ukulele lessons.

In addition to their artistic endeavours, students experienced a wide range of sports through their PE program and participated in hands-on science labs, creative inquiry projects, coding, sewing, car maintenance, and cooking lessons. These amazing 8s also took their smiles and enthusiasm for experiential learning outdoors. A three-day introduction to each other and the Brentwood Campus started the year. They learned survival skills by building a shelter and starting a fire. A two-day camping and bike trip rounded out the year.

Yes, there were challenging days that included assignments, essays, tests, and homework. Some days seemed to go on forever. There were minor injuries, sore muscles, and friendship struggles along the way. But, mostly, there were twenty-five exceptional young people living our Grade 8 Program values: being kind, being inclusive, and working hard. Congratulations to the 2023-2024 Grade 8 Program cohort for a fantastic year!

— ALEX HOUSE —

Around Alex: The Sequel - Another year has passed by Alex, filled with waves of joy, wonder, sweet laughter, sadness, happiness - all the fixings. As a house, and as individuals, Alex has surfed these waves with grace. Now, we find our hearts overflowing with memories to cherish and hold dear.

On September 5th, 2023 17 radiant personalities were welcomed into the Dino Fam. These girls were a lovely breath of fresh air that flowed through the house halls, settling into beautiful friendships. The strength of the recently formed connections between new students and returners alike was evident enough from the incessant chatter around the half-occupied house, the chaotic laughter during Fun & Games, and the wholesome - albeit crazy - times spent getting to know our brother house, Whittall. Soon enough, the house was made whole upon the returners' arrival. It was then that my true pride in purple emerged. Everyone embarked on the nerve-wracking journey of settling into a new normal with poise, patience, and positivity. I have to say, the birth of little Lucy Langer bolstered the good vibes because the baby fever was real around the house!

On April 20th, the unity of Alex was summed up in our amazing, best-decorated Murder Mystery-themed Open House. Despite a slushie flood and an absurd lack of tape, the overall harmony in this process spoke volumes to Alex's tight-knit community. The 9s have grown into lovely little ladies keen to learn more about life. The 10s have demonstrated their readiness to take on seniority, their next Brentwood battle. The 11s have proved their will to be strong leaders next year (I have every faith in each of you). And our 15 perfect Prefects have created an unbelievable house vibe with their unwavering leadership. This bond within Alex could not have happened without the duty staff (who rein in the fun so we do not fall behind in the Brentwood bustle), Mrs Langer (an incredible Assistant Houseparent with impeccable standards), and of course Mrs Warner (the phenomenal second mother we simply would not survive without).

Alex has been my home away from home since Grade 11; the love I have found in this house of shared history will forever hold a place in my heart. It is truly a blessing to be able to write my name down in history as Captain of this boarding house. Thank you for everything, Alexandra.

With gratitude and love, Toluwani Aderibigbe, House Captain, Alex '24

— ALLARD —

On September 5, 2023, 20 new mermaids joined Allard, flooding the reef with eagerness & anticipation. Working alongside the returning mermaids, we did what Allard does best: form a community. Topping our reef off with 65 students, the Prefects & I were excited to try our hands at keeping Allard's culture alive. From the tradition of roses with the Rogers boys after Fun & Games, to hearing the 11's oddly accurate interpretation of the Prefects in our Grade Performances before Winter Break, Allard's enthusiasm never wavered, embodying our three pillars: we are Strong, Caring & Accepting.

Allard is home to committed, lighthearted, & attentive individuals. The 9s, a small but mighty group, are constantly spreading kindness. The 10s have ever-entertaining energy that radiates throughout the reef. 11s are a closely-knit caring group, who will become outstanding Prefects. Above all, the 12s are resilient leaders whose determination & initiative have shaped a powerful coherent house.

Finally, the pulse of Allard is the adults who keep our mermaids swimming: our duty staff. Ms Backlund, Ren Ren, Ms Coull, & Ms Stevens bring life to prep & constantly support the house. The BFAs, Ms Foreman & Ms Crookshank, keep our home running, doing all the behind-the-scenes work, but never miss a long chat on the circle couch. Mr Smith, our Assistant Houseparent - & hidden poet - never failed to nourish us with fresh bread on Tuesdays & make us look forward to Saturday House Meetings just to hear his original work. He has taught us to do everything 100% - it's a work day, after all. Ms Rogers, our Houseparent, the rock of Allard, has taught us to be advocates & use our voices. Her love & support are shown to every mermaid.

Allard has been my second home from the moment I stepped off the bus from Quarantine Hotel in Grade Nine. It has shaped who I have become & I am eternally grateful to have had the opportunity to grow up in the reef, surrounded by the love of my second family.

Swim free.

Eliza Phillips, Allard House Captain '24, aka Queen Mermaid

— ELLIS HOUSE —

Ellis House has once again completed a terrific year. As the seasons went on and the number of brunches dwindled, our house began to feel like a family full of laughter, inside jokes, and fun. Many of these fun times were facilitated by the 9s, who always knew how to have a good time. The 10s seemed to either have absolutely nothing going on or be the busiest people on campus, their energy radiated through the hall until the very last minutes before bedtime. The 11s, I have no doubt, will be able to steer the house with their many strong leaders shaping the future of Ellis.

Ellis couldn't have made so many outstanding young men without the amazing duty staff we are so lucky to have. Mr Cowie on Mondays with 46 years of Ellis energy and his timeless jokes. Tuesday nights with Mr Skardal and his impressive ability to talk to any Ellis boy and email anyone, current student or not, for their birthday. Wednesday night is where the real work gets done, thanks to Ms Balbiani's sternly regimented approach to prep. The 12s love Thursday because it usually means Mr Luna is there to help them with bedtime or have a hilarious nonsensical debate with any grade 10. Ms Stewart and Mr Wills have become great additions to the Ellis BFA history books, with their individuality and Ellis zest.
Mr Wismer, our caring houseparent, is someone everyone respects and trusts. The Ellis boys, especially your graduating 12s, thank you for all of the life lessons you have taught us throughout the years, and will continue to teach us as we reflect and think back about our time in Ellis. Mr Barrett, although you are leaving Ellis, we know there will always be a part of you here. We all appreciate your energetic personality and kind-hearted late-night conversations even when they are past our bedtime. Your love for Christmas and giving makes Ellis feel like our home away from home. Whittall is lucky to have you as their next houseparent. Lastly, I want to be the first to welcome Mr Collis Handford as our new Assistant Houseparent. I know your liveliness and mustache will be a force no grade 10 can argue with.

To the 12s, the glue that holds Ellis together, I am truly grateful for the connections I have made with all of you. Ellis wouldn't be Ellis without you boys. Thank you for the best year any of us could have imagined. Ellis House, best house.

Jacob Bloudov, House Captain

— HOPE HOUSE —

Hope House welcomed 24 amazing new students in September, each filled with nerves and excitement. The year started off strong. We began with our traditional, yet awkward, rendition of speed dating with the Hope-Privett new students to build bonds. We proved these newfound bonds by claiming a convincing win at Fun & Games.

After settling into routines, the Hopelings showed what Hope does best: create an amazing community. From chats after prep while getting ready for bed, to playing ninja in the hallways, we quickly became a family. The culture in Hope is inimitable; with our diverse and dynamic group, we formed relationships that could have otherwise never existed.

Each student brings their own energy to Hope. The 9s are a tight-knit group sticking together through META and Strathcona who bring a life of energy into the house halls. The 10s have settled into their lives at Brentwood, and realized that a good use of prep is important - sometimes. The 11s love their extra bit of freedom from being a junior but are filled with nerves while they talk to the Grads about Leadership. Lastly, the 12s. I have been especially lucky to work with an amazing group of Prefects, each enthusiastic and caring in their own way.

To Ms Hedquist, thank you for putting up with all of us, celebrating our wins while comforting us during our losses, and for being our Hope Mom while at school. To each of the duty staff, thank you for spending your nights with us, and keeping us focused during prep. To Myr Pasquale and Ms Curtis (our amazing BFAs), thank you for always making us laugh. Lastly, to Mr DeSandoli, who has decided to step down from his role as Assistant Houseparent. Mr DeSandoli has been an amazing member of Hope. I thank him for being fun, energetic, and above all, kind to each student.

For the past three years Hope has been my home, and has contributed so much to the person I am today. Thank you to all the Hopelings for being so caring, and for making memories that will last forever. Keep being yourself; you are all amazing humans.

With love, Tatum Lougheed, Hope House Captain ‘24

— MACKENZIE HOUSE —

Amidst the whirlwind of Orientation, new students seamlessly embraced the lively culture of Mackenzie house, the nervousness and newness quickly forgotten. The hallways soon buzzed with the familiar energy of Mack life. Interhouse festivities began and our competitive spirit forged unbreakable bonds.

We were quickly able to get to know the new Mack students as the year went on. Grade 9s navigated their new adventure, quickly learning the routine. Rachael and Ava decorated their dorm to perfection. Grade 10s are hardworking and adaptable. Grade 11s, an energetic group who are quickly maturing and ready to take on being leaders in the house. Our Prefects exemplified resilience and accountability, creating an environment of trust. Behind the scenes, our duty staff, led by Ms Cheung and Ms Manton, ensured the well-being of our community. Their dedication made Mackenzie House an incredible place to live.

Whether it was late nights on duty, or early morning in house breakfasts, I am so grateful to contribute to the positive and energetic environment of Mack House. As I say goodbye to Brentwood, I am very grateful to have gotten to be a part of Mackenzie House. It has become a place where I have made great memories and formed invaluable, lifelong friendships. Thank you to everyone who is a part of the Mack family. Mack House, best house.

— PRIVETT HOUSE —

With a reputation for housing the rule breakers, the delinquents, the characters, and the creatives, Privett has certainly lived up to its name in 2024. As a seasoned resident, I can attest that the camaraderie in Privett's brotherhood has and will remain eternal - as long as Neuf remains Houseparent. There is an energy and culture that cannot be beaten. From notorious bathroom haircuts to almost perpetual rumbling in the upstairs hallways, Privett carries an energy and vibe unlike any other house. It's a place that feels like "another day in paradise" as aptly described by Ms Wolinsky.
With the Pandemic far behind us, Privett has rekindled its closeness. Privett is truly a band of brothers and even during the dark cold of winter, the boys never seem to lose their courage and energy. The boys, through struggle and determination, have not only learned to coexist, they have gained invaluable wisdom from each other.

To the Twelves. It has been a long, short ride, and the road to growing into strong leaders was a beaten one, but, with Brotherhood, Pride and Trust, we have grown into only slightly delinquent, capable, and responsible young men. We are brothers, and I can confidently say that lifelong friendships have been forged.
I could trust no group with the eventual leadership more than our 11s. I am confident that our future leaders will exceed the Privett values above and beyond my expectations. The future is bright for the soon-to-be prefects - as long as Mr. Branchflower doesn't permanently shut down Big Bros.

For our spirited juniors: only the strongest of leaders can inspire those who are unruly; to call the juniors unruly would be an understatement. I eagerly anticipate seeing the shaggy-haired, rambunctious perpetrators of chaos grow into distinguished gentlemen.
One could not describe the immensity of the Privett duty staff's contribution to the house. Ms Wolinsky's remarkable patience and Mr Neufeld's immense wisdom have been invaluable. I speak for all the boys when I say I am endlessly grateful for the Privett Houseparents.

— ROGERS HOUSE —

As the pages of another year turn, we find ourselves at the end of a chapter filled with new friendships, support and unforgettable memories - such as Ms Whitney waking us up to rigorous #1 Inspections. Every moment has shaped us into better men and, most of all, better crew members.

After the much-needed renovations, the students returned to a Rogers House which had been completely revamped. New carpet, new appliances, new paint, and new beds gave the house a feeling of a fresh start. Though the year began with many new faces in the halls (and the odd smell from renovations) the first week ended with lifelong friendships and new brothers. As the year progressed, Rogers displayed its pride at all interhouse events where some participated and some cheered, and we broke the long cycle of losing, such as Airband. However, this did not eliminate the smell of burnt food and the fire alarm going off as, once again, a Grade 9 had left his Mr Noodles in the microwave too long. Mr Thompson always reminds us “You don’t need to cook on max heat”. Rogers is more than just the skull and crossbones, it is a home away from home. Since coming to Brentwood in Grade 9, I knew that I belonged. Whether lending a helping hand with homework or simply being there to listen, we’ve built a strong foundation of friendship and support.

I would like to thank the two role models of the house, Mr Snow and Mr T, for the commitment and hard work they do for the house to run smoothly. Grade 9s you still have much to learn and a long way to go but stay young and, though sometimes you guys were a pain, you made Rogers an exciting place to live. 10s you’re finally seniors, no more getting pushed around, no more extremely early bedtimes. 11s, we pass the torch to you and I am confident that you will succeed in leading the house next year. Finally, to the 12s, my brothers since day one. Stepping up to any challenge and helping out where you could has made Rogers a better place and I thank you for what you have done throughout our journey together as Pirates. I thank you for all the memories and times we spent together in the house. I have made lifelong friends that I will never forget. I couldn’t be more proud of the brothers I have spent my time with in Rogers.

Once a pirate, forever a pirate. Nathan Carter, Rogers House Captain ‘24

— WHITTALL HOUSE —

Whittall House is undoubtedly an incredible home and, further, an incredible family. It's filled with academic weapons, chronically online Grade 9s, gym addicts, and half the Senior Rugby Team. As each person brings something different to the house, these boys have all found their niches and excelled this year. Working hard to try and go back-to-back in Interhouse victories has come with some challenges, but regardless of the results, everyone had a good time. From boys dressed (and painted) head to toe in red, to losing our voices during the incredible start of Eco-Challenge, the house showed up and showed out consistently.

This year had its fair share of shenanigans. Between pogo sticks downstairs and fire alarms set off at midnight by smoking steaks, there were plenty of fails - and laughs. In spite of the teasing and wrestling in the halls, the culture of this house is captured in the remark of our Head of School: "This house claps a lot". At the end of the day, the Whittall boys have grown to be a tight-knit group who support each other through everything. The kindness of others is often taken for granted here because this is just the reality of our house.

Sadly, almost all of the adult cultivators of this incredible culture are leaving Whittall this year: our beloved Ms Cole and Braxton Smith who made sure the house chilled out on Tuesday and Wednesday nights each week; the witty Mr TCH who will go on to bigger and (not-so) better things in Ellis; and the man, the myth, the legend, Mr Gage. Through his cheeky sarcasm, talent for catching people doing something stupid, and emphasis on honesty, Mr Gage has somehow survived the chaos that is Whittall House, and we are forever indebted for the care he has shown each and every day.

There is nothing but gratitude in my heart for all the boys I've been lucky enough to live with and call housemates. I have the utmost confidence that all of you will go on to do great things and be even greater people. Know that you are in great hands with Ms Ramsay and Mr Barrett, and never forget: you mess with the bull, YOU GET THE HORNS!
